- Hostels
- Facilitation Center
- Teacher-Student Center
- Data-Center

In this edition, you will find a range of stories that showcase the incredible work and accomplishments of our university community. From groundbreaking research to community outreach initiatives, our university continues to make a positive impact in the world.

QUAID'S MESSAGE

Without education, it is complete darkness, and with education it is light. Education is a matter of life and death to our nation. The world is moving so fast that if you do not educate yourselves, you will not only be completely behind but will be finished up. The Holy Prophet (PBUH) had enjoined his followers to go even to China in the pursuit of knowledge. If that was the commandment in those days when communications were difficult, then, truly, Muslims as the true followers of the glorious heritage of Islam, should indeed utilize all available opportunities. No sacrifice of me or personal comfort should be regarded as too great for the advancement of the cause of education.

MOHAMMAD ALI JINNAH

VICE CHANCELLOR'S MESSAGE

On behalf of the students and staff at the University of Chakwal (UOC), I cordially welcome you all to a newly established yet highly aspiring educational institution of the Punjab. We are optimistic that each and every entrant will be fascinated with the commitment, passion, resolution, and enthusiasm of all the functionaries of the university toward imparting knowledge, skills, and social behavior.

PROF. DR. M. BILAL KHAN

REGISTRAR'S MESSAGE

On behalf of the University of Chakwal, I am delighted to extend a warm and hearty welcome to each and every one of student. As the Registrar of this esteemed institution, it gives me great pleasure to see the next generation of bright minds embarking on their educational journey with us. Your decision to enroll at the University of Chakwal is a significant milestone, one that will shape your future and open doors to new opportunities. Here, you will find a vibrant academic community committed to excellence, innovation, and personal growth.

DR. ISHTIAQ AHMAD

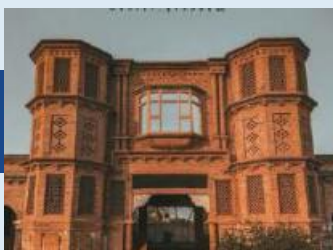

ESTABLISHMENT OF UNIVERSITY OF CHAKWAL

An exalted chapter was added in the history of Pakistan as well as the Chakwal district on 17th January 2020, by merging the sub-campus of UET, Taxila, and the postgraduate college in the establishment of the University of Chakwal. So, it appeared to be a wonderful occasion that the college established in 1949, was upgraded to the level of a University with the dedicated efforts of the third generation of the founder family of the same college. Today it is the hub of knowledge that offers a unique blend of modern sciences as well as liberal arts at very affordable rates. UoC is the largest general public university in the Rawalpindi Division.

Groundbreaking Ceremony of University of Chakwal by Ex Prime Minister of Pakistan

FACULTIES OF UOC

Faculty of Engineering & Technology (B.Sc. Engineering)

- BSc. Electronics Engineering
- BSc. Mechatronics Engineering
- BSc. Petroleum & Gas Engineering

Faculty of Computing & Information Technology

- BS Computer Science
- BS Information Technology

Faculty of Humanities & Social Sciences

- BS International Relations
- BS Islamic Studies
- BS Economics
- BS Clinical Psychology
- BS Sociology
- BS Urdu
- BS English

Faculty of Sciences

- BS Physics
- BS Chemistry
- BS Mathematics
- BS Botany
- BS Zoology

Faculty of Medicine & Allied Health Sciences

- Doctor of Pharmacy
- Doctor of Physiotherapy
- BS Human Nutrition & Dietetics

Faculty of Law

- LLB (5-Years)

Faculty of Business & Management Sciences

- BBA

EVENTS AND ACHIEVEMENTS OF UNIVERSITY OF CHAKWAL

OEC Team visited HEC and got a whole day briefing sessions on the next steps to improve quality of education at UOC.

OEC is the main entity dealing with the external bodies regarding accreditation, and external linkages. It is responsible to develop quality assurance processes and methods of evaluation to affirm that the quality of provision and the standard of awards are being maintained and to foster curriculum, subject and staff development, and other scholarly activities. It is responsible for promoting public confidence that the quality and standards of the award of degrees are enhanced and safeguarded. To achieve the above-mentioned goal OEC team got trained at HEC for the improvement of the quality of education in the University of Chakwal.

TEAM OF OEC

OEC UOC conducted one-day workshop on effective teaching

Effective teaching is the process of using various methods and techniques to help students acquire knowledge and skills. It involves creating an environment that promotes learning, engaging students in the learning process, and providing feedback to help them improve. To improve the teaching methodology OEC UoC organized a one-day workshop by focusing on below mentioned key elements:

- **Clear Learning Objectives:** A teacher should have a clear understanding of what students should know or be able to do after a lesson or course.
- **Engaging Instruction:** Teachers should use various methods and techniques to engage students in the learning process, including lectures, discussions, group work, and hands-on activities.
- **Assessment and Feedback:** Teachers should provide frequent feedback to students about their progress and help them identify areas for improvement.
- **Flexibility:** Teachers should be able to adjust their teaching methods and materials to meet the needs of individual students or groups.
- **Positive Learning Environment:** Teachers should create a positive and supportive learning environment that encourages students to take risks and participate actively in the learning process.
- **Effective Communication:** Teachers should communicate clearly and effectively with students, both in person and through written materials.
- **Continuous Improvement:** Teachers should continuously evaluate their teaching methods and seek out opportunities to improve their skills and knowledge.

BASIC LIFE SUPPORT & TRAINING SESSION

A series of training sessions entitled "Basic Life Support and Fire Orientation" (BLS & FO) was conducted by DSA with the collaboration of 1122 students of the University of Chakwal.

QUIZ COMPETITION

Quiz Competition on history of Pakistan was organized by Arts Cultural and Dramatic Club (ACDC) under Directorate of Student Affairs (DSA)

NAAT AND QIRAT COMPETITIONS

Naat and Qirat Competitions were conducted by Tehzeeb-Ul -Akhlq Society.

UOC-PLANTATION DAY

Planting trees with the slogan "Go Green!", university management, faculty members, staff, and students celebrated the day with great zeal and zest. Worthy Vice Chancellor, Prof. Dr.Mohammad Bilal Khan, planted an Olive tree in the Campus vicinity. Likewise, all the Department Heads, faculty, staff members, and students planted various types of trees to beautify and improve the UOC-campus ecology.

DIAMOND JUBILEE OF PAKISTAN INDEPENDENCE DAY CELEBRATED AT UOC

University of Chakwal (UOC) celebrated the 75th Anniversary / Diamond Jubilee of Pakistan's Independence Day with great zeal. The ceremony was attended by Vice Chancellor Prof. Dr. Muhammad Bilal Khan, Registrar Prof. Sada Hussain, all HOD's, faculty members and teachers. Addressing the ceremony, Vice Chancellor Prof. Dr. Muhammad Bilal Khan said that "Pakistan is our identity and it's a day to fulfill our commitments to this motherland". He stressed upon character building of new generation. He said that young students are the future of this country, and they should use their fullest capacity for the progress of the country. A series of events were held out in Qirat and Naat, Urdu and English Speech, and Essay Writing on the history of Pakistan. Mr. Raja Humayoun Sarfraz, the Minister for Higher Education presided over the ceremony.

QASIM ALI SHAH: MOTIVATIONAL SPEECH

MOTIVATIONAL TALK BY MR. NASEEM AHMED USMAN

The University of Chakwal organized a seminar on "Pakistan Aur Hamare Nojawan".

Mr. Naseem Ahmed Usmani, Senior Advisor J-7 group, Senior Advisor Huawei, and President of Pakistan Qaumi Yakjehti Council Pakistan was the main speaker. Madam Amber Usmani also delivered an inspiring speech to the faculty and students of UoC.

KASHMIR SOLIDARITY DAY

The people of Pakistan continue to support the people of Kashmir in their fight towards their goal by observing Kashmir Solidarity Day on 5th February every year. University of Chakwal organized a walk for Solidarity on Kashmir.

DENOUNCING OF REVOCATION OF ARTICEL 370 AND 35 (A)

An awareness Seminar was held at UoC followed by a solidarity walk to expose the sinister design of India behind unilaterally revoking Article 370 of the Indian Constitution together with scraping Article 35 A, which gave special privileges to the people of Kashmir. Article 307 allowed the State of Kasmir a certain amount of autonomy, like its own constitution, a separate flag, parliament, freedom to make laws, permanent residency, ownership of property, and fundamental rights.

PM Modi and the Hindu Nationalist BJP had long opposed Article 370 and revoking it was in the party's 2019 election manifesto. After returning to power in the April-May general elections, the government lost no time in acting on its sinister pledge.

Critics of Modi link this move to the economic slowdown India was facing. The buck does not stop there. The Kashmiris believe that the BJP ultimately wants to change the demographic character of the Muslim-majority region by allowing non-Kashmiris to buy land there. The move also fits in with Modi's desire to show that the BJP is tough on Kashmir, and Pakistan.

Moreover, the government is also moving to break up the State into two smaller, federally administrative territories. One region will combine Muslim-majority Kasmir and Hindu-majority Jammu. The other is Buddhist-majority Ladakh, which is culturally and historically close to Tibet.

P. Chidambaram, a senior leader in the opposition Congress party described the BJP decision as a "catastrophic step" and warned in Indian Parliament that it could have serious consequences. He further said that you may think that you have scored a victory, but you are wrong and history will prove you to be wrong.

Why revoking Article 370 is illegal?

It is provided within Article 307 that any changes in this Article will require the approval of the State of Kashmir. Furthermore, revoking Article 370 is a clear violation of the UN Resolutions, which entitle the people of Kasmir to the right to self-determination.

The audience has explained the location of Kashmir vis a vis Gilgit Baltistan, Chinese-administered areas across the border, and the wide stretch of the border along Azad Kasmir. It was emphasized to the faculty to raise voices against the revoking of Articles 370 and 35A by India and its repercussions via print, tele and electronic media.

LOGO DESIGN COMPETITION

Office of Research, Innovation, and Commercialization conducted UoC logo design competition. Miss Mina Athar from the National College of Arts (NCA), Lahore won the Logo Design Competition 2022.

WORKSHOP ON OBE

Chairman Department of Mechatronics Engineering organized a one-day workshop on the "Outcome Based Education (OBE) System " to give awareness about OBE to the Faculty of Engineering. Professor Dr. Engr. Gulistan Raja from the Department of Electrical Engineering, UET Taxila, was the guest speaker at this workshop

UOC FLOOD RELIEF CAMPAIGN

Friday, September 09, a second truck full of relief items including eatables, drinking water, ration bags, and medicines, was sent to the flood-hit areas of D.I. Khan. The worthy Vice Chancellor and the respected Registrar bade goodbye to the students who had volunteered themselves to distribute these goods among the calamity-stricken people. The Vice-Chancellor, on this occasion, appreciated the devotion and commitment of the students to serve the flood affected. He further dilated upon the need for community service and its awareness among the youth.

UoC also contributed one day of Basic Pay of all its employees to the Prime Minister Flood Relief Fund as well as the earthquake calamity in Türkiye.

LITWITS

LITWITS a bilingual conglomerate of creative writings by BS English students, under the diligent supervision of Prof Shahid Azad, was launched by the Department of English Language and Literature. The rich oeuvre includes letters, autobiographies, flash fiction and poems. The worthy Vice Chancellor, addressing the editorial board, highly lauded the creative potential and literary genius of the students chiseled by their dedicated teachers.

ARCHAEOLOGICAL TOURISM IN CHAKWAL

The University of Chakwal organized a seminar entitled "Potential of Archaeological Tourism in Chakwal" under the supervisor of Dr. Samia Anwar and sponsored by J7 Mall. Prof. Dr. Ruth Young from the School of History and Archaeology at Leicester University UK, Dr. Marwa Suleiman Assistant Professor Department of Archaeology University of Mansoura from Egypt, and other speakers from different universities in Pakistan gave their presentations. This seminar was presided by WVC Prof. Dr. Muhammad Bilal Khan.

SEMINAR ON ANTI-HARASSMENT LAWS: IMPLEMENTATION IN HIGHER EDUCATION INSTITUTION AND WAY FORWARD

To ensure the prevention of sexual harassment, and educate its staff, faculty, and students in order to eliminate sexual harassment at the University of Chakwal Campus, the Anti-Harassment Committee conducted an awareness seminar "Anti-Harassment Laws Implementation in Higher Education Institutes and the way forward" on May 25, 2022, at Sethi Hall,

VISIT OF GOC KHARIAN AT UNIVERSITY OF CHAKWAL

Goc Kharian planted a tree on the UoC campus and gave a motivational talk to the faculty and students of UoC followed by Q/A session. WVC presented the shield of honor to the GOC Kharian.

COLLABORATION WITH RIMS: ECT & MCT ENGINEERING

UoC gives high priority to University-Industry linkage, in this connection an MoU was signed with a leading manufacturing supplier of ECT and MCT Engineering equipment, followed by an Industrial visit by faculty to their facility.

INTERNATIONAL CONFERENCE ON BRIDGING THE GAP BETWEEN INDUSTRY AND ACADEMIA

The University of Chakwal organized its maiden International Conference on bridging the gaps between industry and academia. The national and international speakers discussed the modalities and way forward for increased employability of university graduates.

The minister for Higher Education showed his resolve to equip university students with technical skills so that they can compete internationally. The scientists and professors from the University of Warwick and Columbia shared their wisdom, while Dr. Fareeha Azmat, a member of the Senate University of Warwick elaborated on the Degree Apprenticeships program, being successfully implemented in the U.K.

Speaking on the occasion, Punjab Higher Education Commission (PHEC) Chairman, Dr. Shahid Muneer, presented helpful strategies to absorb our graduates in the industry. He urged the participants to think out of the box solutions and techniques so that the university graduates do not turn into a liability, rather they should vehemently contribute to national development. The IC design center and Petroleum Engineering programs were inaugurated on this occasion.

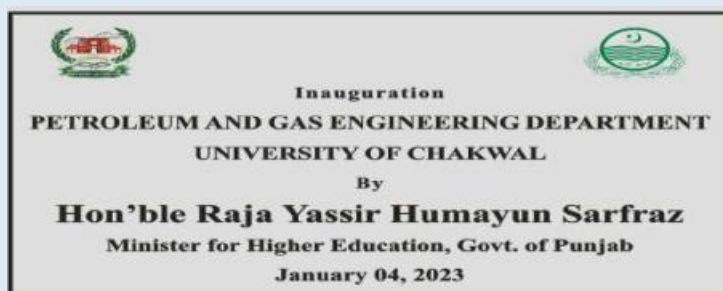

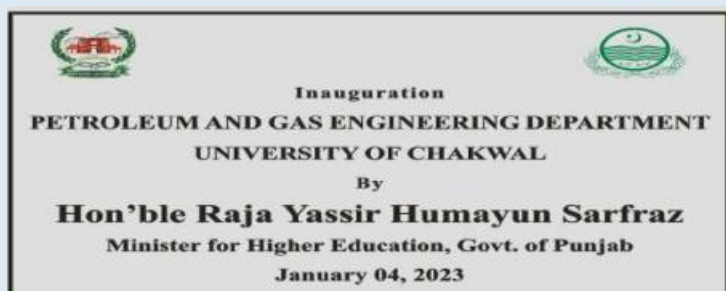

The worthy Vice Chancellor of the University of Chakwal warmly welcomed the participants and briefed them about the progress made by the university in different fields. He told that the UOC was the fastest-growing university among all the nascent varsities in Punjab, and emphasizes to connect Education with the financial engine comprising of industry, commerce, R&D, products, and services.

INTERNATIONAL CONFERENCE ON BRIDGING THE GAP BETWEEN INDUSTRY AND ACADEMIA

The Petroleum and Gas Engineering and Integrated Circuit Design Center were inaugurated by the Honorable Minister on this occasion.

The International Conference was followed by one hour program on PTV World and PTV Home.

Following the UoC-International Conference on Bridging the Academia-Industry Gap in Pakistan, a relevant paper to the theme was published jointly by the University of Warwick, Columbia University, and the University of Chakwal encompassing the 3 primary themes namely, the System Thinking Approach, Groups of Students working in cross-disciplinary fields involving community and Degree Apprenticeship.

ALL PUNJAB UNIVERSITIES INNOVATION EXPO

All Punjab universities innovation Expo was held by PHEC at Faletti's Hotel on 15th Nov 2022. Electronics and Mechatronics Engineering departments (ECT & MCT) of University of Chakwal (UoC) participated in the Expo and showcased their design projects.

Dr. Mohsin Tarar and Engineer Qasim Bukhari, presented the IC design work and temperature monitoring instrument whereas Dr. Sheraz, Engineer. Arqum and the MCT students demonstrated two projects on robotics. The visitors not only appreciated the design projects but also gave them invaluable feedback towards further improvement.

ONE-DAY SEMINAR "WORLD WILDLIFE CONSERVATION DAY" THE DEPARTMENT OF ZOOLOGY, UNIVERSITY OF CHAKWAL

The Department of the Zoology University of Chakwal organized a one-day Seminar on "World Wildlife conservation day" on December 05, 2022, at Sethi Hall. The purpose of this day is to disseminate information about the conservation of wildlife, especially endangered animals. Students from the Zoology departments along with teachers and administrative staff from different colleges of Chakwal city participated. Dr. Rab Nawaz (Senior Director, Biodiversity and Conservation), Mr. Muhammad Waseem, Manager of Conservation (WWF-Pakistan). Dr. Tariq Bangash, Director & Dr. Muhammad Saeed, Assistant Director, Islamabad Wildlife Management Board, Dr. Sajjad Hussain, Deputy Director, of Salt Range Kallar Kahar, and Dr. Muhammad Adnan, Biodiversity Specialist, Punjab Wildlife Department were Keynote speakers of the Seminar. Dr. Sajid Mahmood highlighted the importance of wildlife in Pakistan as climate change, human activities, poaching, and anti-environmental practices have led to their extinction. The special guest Dr. Rab Nawaz emphasized on the use of modern technology to maintain the survival and protection of wildlife. Dr. Tariq Bangash shared information about the wildlife of Margalla Hills National Park. Prof. Dr. Muhammad Bilal Khan, Vice-Chancellor University of Chakwal expressed his determination that the University of Chakwal will continue to contribute to the survival of wildlife in the future through University of Chakwal Department of Zoology

INAUGURATION CEREMONY OF NEW WESTERN BLOCK, BS BLOCK AND ALI BABA GLOBAL DIGITAL TRAINING (GDT) PROGRAM

A graceful ceremony was held at University of Chakwal to inaugurate new Western Block, BS Block and Ali Baba Global Digital Training Program. The Minister for Higher Education Punjab Raja Yassir Humayon Sarfraz Khan was the Chief Guest and Deputy Commissioner Dr. Zeeshan Hanif was the Guest of Honor in this ceremony

Inauguration ceremony of new Western Block

Groundbreaking Ceremony of New Western Block by Raja Yassir Humayun Sarfraz 07-11-22

Inauguration ceremony of new BS Block

Groundbreaking Ceremony of New BS Block by Raja Yassir Humayun Sarfraz 07-11-22

Dr. Muhammad Bilal Khan, Vice Chancellor of the University of Chakwal apprised the audience of the recent development taking place at UOC. He thanked the Minister for his patronizing efforts for the progress and uplift of the University. In his address, he asserted that UOC was one of the fastest growing among the nascent universities. He informed the audience that Ali Baba Global Digital Training program worth USD 34000 dollars was conducted free of cost by Ali Baba to UOC through special efforts of the Office of Research, Innovation, and Commercialization (ORIC) and Deputy Commissioner Chakwal. He highlighted the importance of digital freelancing and self-employment through e-commerce and other online services.

The Minister for Higher Education Punjab Raja Yassir Humayon Sarfraz Khan appreciated the Vice Chancellor, faculties, and administration in the efforts to shape the university according to his vision in the era of the Digital Economy which has already surpassed the traditional offline economy.. He pledged his continued support for making UOC a hub of digital tech in the entire Division. The Guest of Honor Deputy Commissioner Chakwal Dr. Zeeshan Hanif urged the students to learn digital skills besides obtaining their degrees.

Inauguration ceremony of Ali Baba Global Digital Training(GDT) Program

Groundbreaking Ceremony of AliBaba GDT Program by Raja Yassar Humayun Sarfraz 07-11-22
