

THE UNIVERSITY OF CHAKWAL

DEPARTMENT OF LAW
Main Campus, Talagang Road, Chakwal.

No. UOC-LAW/24-41

August 12, 2024

With reference to your letter UOC/QEC-1/24/555 dated July 24, 2024. The status of the Corrective action is mentioned below.

Status of Corrective Actions

S. No.	AT Findings and Recommendations	Corrective Actions	Status	Remarks
1	The available books at the library of the faculty of Law are less in number and at least 5,000 books must be present at the library under the Pakistan Bar Council Legal Education Rules 2015.	The Department has purchased 2400 books and 2600 more books needs to be purchased in order to remove the deficiency.	The Department has requested to allocate the budget for the purchase of remaining books	Partially Complied
2	The space and the infrastructure of the library is not of that quality required by the Pakistan Bar Council.	A new reading room has been constructed in order to remove the deficiency but still more space is required to bring the law library at par with the standards of PBC	A reading room is still under construction.	Partially complied
3	The computer lab at the faculty of Law requires more space and latest generation and technology of the computer. The internet facility is not available in the computer lab.	Updated computers have been purchased.	30 new computers have been purchased but the computer lab has not been renovated yet.	Partially complied.
4	With the current number of classrooms, at least five more classrooms are required to fulfill the mandatory requirement of Pakistan Bar Council. The available classrooms are lacking facilities like fans and lights which shall be	Five more well furnished classrooms are required for the Department and the existing classrooms need to be furnished.	Class rooms are still insufficient as per PBC Legal Education Rules, 2015	Not Complied

	improved for the interest of the students.			
5	For the faculty members there shall be separate rooms equipped with all required facilities such as internet and conducive environment.	Separate well furnished offices need to be provided to individual faculty members.	No separate rooms have been provided to the faculty members.	Not Complied
6	The clean water facility for drinking is not available.	Clean water drinking facility needs to be provided	Water is available but a filtration plant is needed to make it drinkable.	Partially Complied
7	No basics facilities such as separate washrooms for female and male students and girls common rooms.	Separate Washrooms need to be constructed for female and male students	Four separate washrooms for males and females students have been constructed.	Complied
8	The entrance or the front road/passage for the faculty of law needs to be constructed at earliest.	The entrance or the front road/passage for the faculty of law needs to be constructed at earliest.	Despite of many requests and repeated reminders no action has been taken.	Not Complied
9	The clerical staff for the offices, library as well as computer lab shall be provided on urgent basis.	The said staff needs to be hired	No such staff have been hired	Not Complied

Chairman's Comments

The above mentioned deficiencies need to be made up before the upcoming inspection visit of Pakistan Bar Council which is expected in September 2024.
